DRUG TRENDS- What Parents Don't Know... But Should Know!

Date:
March 30, 2006

Time:
7:00 p.m.

Place:
Albion Middle
School
Auditorium

For:
Parents & Adults in
the Community only

Presenters:
Gary Metz &
David Monk

Each presenter has
over 25 years of
experience working
with substance abuse
topics and strategies.

The widespread availability of drugs and alcohol to our youth poses immense challenges for parents. You play the most important role in preventing drug and alcohol use by your children.

This workshop will include:

- Impact of Drugs & Alcohol
- Motivations to Substance Abuse
- Law Related Education
- Accessories to Drug Use (paraphernalia)
- Specific Drug Facts & Prevention Resources

Why should you attend?

To educate yourself on the dangers of alcohol and drug usage and what you can do to prevent your child from using!

For Albion Central School Parents Only-

If you have a child who is a student at ACS and you attend this workshop, you will:

- ◆ receive a **NO HOMEWORK** pass for your ACS student to use one time this year.
- ◆ **Apple Nano iPod Drawing!**
Each parent of an ACS student who attends this workshop will receive a ticket for the iPod drawing.
(Donated by Advantage Professionals in Williamsville, NY).
